

MINNESOTA DEPARTMENT OF TRANSPORTATION
NOTICE OF VIOLATION
Minnesota Outdoor Advertising Control Act

Date _____ 20 ____

TO: _____

ADDRESS: _____

Minnesota Statutes 173.13, subd. I, provides that no advertising device may be erected or allowed to exist adjacent to any primary or interstate highway unless a valid permit for such device has been obtained from the Commissioner of Transportation.

This notice is to inform you that, since no permit has been issued for a device located on
Highway No. _____, Control Section No. _____,
at _____

The following action is necessary:

1. Obtain a permit for this device within 60 days, or
2. * Remove this device within 60 days.
3. In the event that the permittee fails to comply with the notice and fails to remove the device pursuant to paragraphs 1 and 2 above, then the State may remove the device and dispose of it as it sees fit. The permittee will then be required to pay the costs incurred by the State for the removal and disposition of the device.

If no compliance is noted within 60 days the Commissioner may * remove the device under authority of Minn. Stat. 173.13, subd. 11. You may also be liable for the penalties of Minn. Stat. 173.21. If, within 60 days, a completed application for such a permit is submitted to this office in accordance with Minn. Stat. 173.13, removal of this device shall be required only upon final rejection of said application or within 60 days of this notice whichever is later.

YOU WILL RECEIVE NO FURTHER NOTICE FROM THIS OFFICE. If you desire further information
you may contact _____

* Removal means to completely disassemble to ground level.
