Denotes water friendly plant or aquatic formulation of herbicide.

- * Do not spray in areas with high water tables or where right-of-way may be hayed. Do not apply if rainfall is expected within 48 hours. Do not spray in areas where there is less than 50 feet of a vegetated/grassy buffer.
- ** Caution: Non-selective herbicide. To prevent erosion have a revegetation plan.

For herbicide Labels and Material Safety Data Sheets (MSDS) visit: <http://www.cdms.net/LabelsMsd/LMDefault.aspx>
