The Minnesota Department of Transportation's Office of Land Management, would like to invite you to the 2012 Survey Technical Workshop, to be held March 20-22, at the Breezy Point Conference Center in Breezy Point, MN. This will be the 15th annual workshop of this kind and we are pleased to once again sponsor this event. The focus of this workshop is on surveying, mapping, GIS and other related topics of interest.

The event will provide a setting in which to view current practices, examine prospective trends, consider technical applications and improvements and build relationships within the surveying community. We are pleased to offer this training opportunity to Mn/DOT employees, students and our professional partners.

[Audience](#)

- MnDOT personnel involved in survey operations
- Other state agency employees interested in survey technologies
- County and city agency staff performing survey functions
- Private sector representatives
- Students and teaching professionals

Professional Development Hours

For those submitting for Professional Development Hours with the *Board of Architecture, Engineering, Land Surveying, Landscaping Architecture, Geoscience and Interior Design*, please select those sessions that will meet your personal training needs and satisfy your defined licensing standard requirements. Workshop participants are responsible for submitting for Professional Development Hours with the board. Attendees planning on using this workshop towards earning professional development hours are responsible for retaining registration receipts and the workshop brochure, which provides the agenda and course descriptions. As sponsor of this event, the Office of Land Management will provide workshop participants with a Certificate of Attendance, on Thursday, March 22, after the workshop at the registration table in the Whitebirch lobby. To receive a certificate of attendance from the Minnesota Department of Transportation, workshop participants are required to have attended the full three days of sessions. A certificate of attendance will be distributed following the last session to keep for your records.

Vendors & Exhibits

Vendor displays and exhibits can be viewed in the Minnesota I & II rooms. Vendor displays can be viewed throughout the workshop, beginning the afternoon of March 20 through the AM break on March 22. Exhibitors will be happy to answer specific questions regarding their products and services.

If you or your company would like to participate in the vendor display area at the 2012 Survey Technical Workshop, please contact Cheryl Hunstock at 651-366-3452 or email at: cheryl.hunstock@state.mn.us
