

Transportation Alternatives Eligibility

Transportation Alternative funds are a set-aside of the STBG funding category.

Transportation Alternative Set-Aside encompasses a variety of smaller-scale transportation projects such as pedestrian and bicycle facilities, recreational trails, safe routes to school projects, community improvements such as historic preservation and vegetation management, and environmental mitigation related to stormwater and habitat connectivity.

Transportation Alternative projects must be selected through a competitive project selection process.

Eligible entities to receive funds include local government agencies, MPOs, regional transportation authority, transit agency, natural resource or public land agency, school district, tribal government, nonprofit entity responsible for the administration of local transportation safety programs, any other local or regional government entity with the responsibility for transportation or recreational trails.

Eligible Projects other than bike trails:

Bike Sharing- bike sharing docks, equipment and other capital costs. Not for operational costs.

Historic Preservation- rehabilitation activities relating to historic transportation facilities. Not for operation costs.

Land Acquisition- right of way or easements for TA projects**

Landscaping- streetscaping and corridor landscaping.
