

State Aid Concrete Pavement Design – 10/19/2012

Designers may use either [MnDOT Rigid Pavement](#) (preferably R-value) or [StreetPave](#) Design Software to design concrete pavements for both new construction or reconstruction projects. Please review Tech Memo [12-SA-03](#) before selecting the design method. If you have any questions or concerns about the design or pavement selection, please contact MnDOT Pavement Engineer, Tim L. Andersen at 651-366-5455 or SALT personnel Malaki Ruranika at 651-366-3825.
