- A list of funded proposals by county and project type is provided in Exhibit A.
- The Central Safety Fund monies are fully funding the County Highway Safety Plans; therefore, no roadway projects were selected for this funding during this solicitation. Additional information about the County Highway Safety Plans is available at the following link:  
[http://www.dot.state.mn.us/stateaid/sa\\_county\\_traffic\\_safety\\_plans.html](http://www.dot.state.mn.us/stateaid/sa_county_traffic_safety_plans.html)
- A total of \$6.2 million in projects were selected. Several Districts are currently under programmed for their HSIP target. Once developed the County Highway Safety Plans will be a great tool to bring all district towards fully programmed.
