

The Loop Trail

Overview

- Extends 4.7 miles around loop
- Accommodates bicycle and pedestrian traffic
- Connects to existing local and regional trails in Minnesota and Wisconsin
- To be constructed in 2015-18 in phases. Trail sections will be open for use after they are constructed
- Uses the existing Stillwater Lift Bridge, which will be converted to a bicycle/pedestrian bridge in 2017-18
- Uses a designated bicycle/pedestrian lane on the new St. Croix Crossing bridge

Minnesota Loop Trail Construction

- Staged construction
- Phase I: North of Sunnyside Marina to north of Nelson Street (blue trail) – Completed in 2015
- Phase II: Upper trail and Chestnut Street connection – Scheduled for 2018
