

Contractor Certification of Disposal

Project No.: _____ **Location:** _____

We, _____, hereby certify that the mast arm pole standards
(Name of Contractor)
were rendered unusable, and the mast arm pole standards, and if applicable, pedestal shafts and bases were removed, transported, and disposed of in accordance with all requirements of the Minnesota Pollution Control Agency (MPCA) and the Occupational Safety & Health Administration (OSHA) for the removal, transporting, and disposal of hazardous waste.

SIGNATURE

DATE

After signed and dated, the Contractor shall submit this form to the Mn/DOT project Engineer.

The Contractor shall also submit to the Engineer a copy of the "Tipping Receipt" that the Contractor receives from the scrap yard or recycler.
