

NEXT STEPS TO ADDRESS WORK ZONE CHALLENGES

Statewide Work Zone Safety Committee

Four Challenges

2

- Work Zone Intrusion Warning System (WIWS)
- End of Queue Warning System for Work Zones
- Distracted Drivers Approaching or Within a Work Zone
- General Mobility Impacts Caused by Work Zone

Two Major Outcomes

3

- Institute planning and scoping procedures for ITS/IWZ
- Monitor, Test and Evaluate ITS/IWZ deployments

Stopped Traffic

Is Detected

Warning Is Displayed

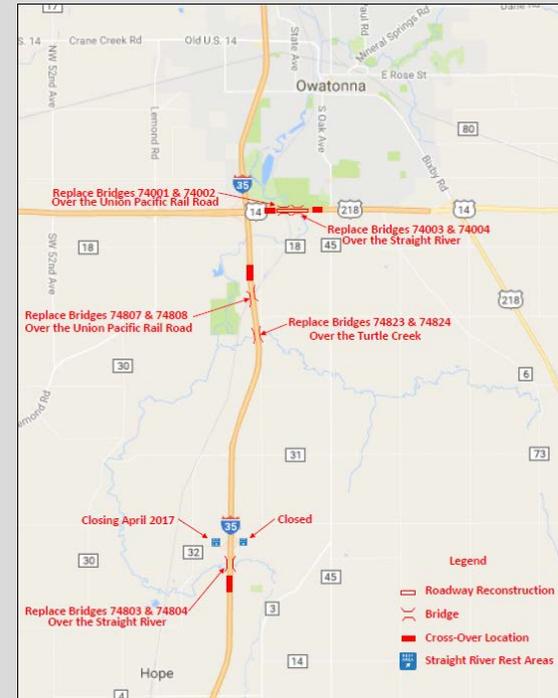

To Drivers

2017 Pilot Projects

TH 52 Rochester to Cannon Falls

I-35 and TH 14 near Owatonna
