

Weekend traffic updates will return in
Spring 2016

For current road conditions, go to
511mn.org, or call 5-1-1.

A map of Minnesota showing major highways and waterways. A dark blue rectangular box is centered over the map, containing white text and the Minnesota Department of Transportation logo. The map background is light gray with blue lines for rivers and gray lines for roads. Highway shields are visible throughout the state.
