

Attachment to: Non-Commercial Boat Hauling Annual Permit

This addendum must be attached to a valid Non-Commercial Boat Hauling Annual Permit.

1. The Permittee (Permit holder) must be:
 - a) The owner of the single listed over legal size boat (one boat per Permit) noted on the Permit
 - b) The owner or lessee of the trailer unit listed on the Permit
 - c) The owner or lessee of the power unit pulling the Permitted combination
2. Required information and fee for this Annual Permit:
 - a) Make, license plate number, VIN (serial number), length and width, and empty weight of truck and trailer unit
 - b) Make, model, size, and weight of boat
 - c) Permittee name, address, and telephone number
 - d) State Permit fee is \$ 60.00 per trailer/boat unit
3. Maximum Permitted Sizes:
 - a) Width: 14'6"
 - b) Height: 14'0"
 - c) Length: 85'0
4. All weights must be within the legal, non-permit limits. If over legal weight, only a Single Trip Permit is available for movement. The required State route approval for each move can be done over the internet at web address at:
<http://www.dot.state.mn.us/cvo/oversize/oversize.html> by clicking "Log Trips".
5. If a pickup or automobile is used as the power unit, the manufacturer rated capacities must not be exceeded.
6. The State Permit only covers State Trunk Highways (Interstate, United States, & Minnesota State Routes). Use of County Roads, City streets, Township Roads, or other public roads, requires that the mover obtain a Transportation Permit from the road authority whose roadway is to be used.
