

I-94/TH 10 INTERREGIONAL CONNECTION DOCUMENT REQUEST FORM

In order to keep the I-94/TH 10 Interregional Connection Draft Environmental Impact Statement document to a reasonable size, several of the special studies completed as part of this project have not been included in the document's appendix and are instead available for viewing upon request to the Mn/DOT District 3 Project Manager – Chad Casey. If you would like to view a copy of any of the following documents, please complete the attached form and mail your request to Mr. Casey.
