

College Drive/Hwy 19 Reconstruction Project

WHAT ARE WE DOING ON COLLEGE DR/HWY 19?

MnDOT is planning to reconstruct College Drive/Hwy 19 from 4th Street to Bruce Street in 2025.

LEARN MORE

To learn more about what we heard from the community and sign up to receive project emails visit: www.mndot.gov/d8/projects/hwy19marshall

2019

2020

2021

2022 - 2024

2025

FALL/WINTER

 Worked with the community to develop a vision and priorities for the project

SUMMER/FALL

- Presented information on community vision and priorities
- Gathered input on potential intersection improvements

SINCE LAST SUMMER WE HAVE BEEN...

Working with the City of Marshall to refine the project plans including lighting and streetscaping

Working with property owners on changes to their access

SUMMER

- Gather feedback from city and public on project layout
- Receive approval from city on final layout

FALL

- Continue to work on project design
- Purchase land
- Continue to work with city on streetscaping

- Continue to work on project design
- Continue to work with city and public
- Develop construction plan

• Begin construction
