

Highway 67 Project

The Minnesota Department of Transportation is planning a reconstruction of Highway 67 through Clarkfield in 2023. This reconstruction includes replacing pavement, storm sewer and sidewalks. Pedestrian ramps will also be added.

Project summary

- » Reconstruction of Highway 67 from just east of Highway 59 to 6th street.
- » Replacement of sidewalks and addition of pedestrian ramps to meet Americans with Disabilities (ADA) standards.
- » Replacement of storm sewer
- » As part of the reconstruction project, the City of Clarkfield will have the option to make downtown design improvements (i.e. lighting, benches, planters, etc.).
- » Estimated project cost is \$4.4 million
