TOWMASTER WARRANTY SUMMARY
(FULL AND CURRENT TEXT AVAILABLE AT TOWMASTER.COM)
This warranty effective on trailers manufactured after 01/01/2009.

Monroe Townmaster, LLC. (herein referred to as Townmaster) offers this extensive warranty to the original purchaser of our trailers. Warranty starts from the date of sale as long we receive the filled-out warranty card. If we do not receive the warranty card, warranty starts from the ship date of the unit.

LIMITED LIFETIME FRAME WARRANTY
On our premium trailers (T, TC series) Townmaster warranties the trailer main frame (frame, crossmembers, gussets, beavertail, and tongue or gooseneck) for the lifetime of the trailer to the original licensed owner to be free from defects in material and workmanship. This LIFETIME WARRANTY does not cover the hitch (ball, pintle, and gooseneck fifth wheel), tires, wheels, axles, suspension, hoists, ramps, lights, wiring, paint, wood, d-rings or any other features or options outside the scope of the trailer main frame weldment. Limited Lifetime is determined by the following criteria: The life expectancy of the trailer which is determined to be 10-YEARS on tag trailers 50,000 lb. capacity and lower, or 5-YEARS on king-pin trailers 50,000 lb. capacity and up, or 5-YEARS on dump trailers, to the original owner and is non-transferrable, limited to the first accident or overloading. This warranty also does not cover:

1. Products which have been operated in excess of rated capacities
2. Misuse, abuse or accidents
3. Vehicles which have been altered, modified or repaired in any manner not authorized by our company

FIVE-YEAR LIMITED FRAME WARRANTY
Some economy models (TE series) carry a 5-YEAR Limited Frame Warranty with the same exclusions as stated above. Some economy models (TE series) carry our standard 1-YEAR Warranty stated below.

AXLE / SUSPENSION WARRANTY
Each Dexter Torflex Axle carries a limited 10-YEAR WARRANTY on the suspension to be free from defect in material and workmanship. Warranty is limited to Dexter warranty policy. Other types or brands of suspensions may carry either a 5-YEAR or a 2-YEAR warranty by its manufacturer.

PAINT WARRANTY
Townmaster warrants its paint and process against peeling or delamination of topcoat and/or other layers of paint, cracking due to failure of the product, and excessive hazing for a period of 3-YEARS from the date of manufacture. This warranty is limited to original paint from the factory and excludes paint that has been chipped, scuffed, scratched, or otherwise damaged in normal use, inclement weather, improper care, or paint on trailers that have been abused or in an accident. Townmaster’s liability is limited to the repair of the affected area and covers labor and materials only, at an authorized repair service.

FULL ONE-YEAR WARRANTY
Townmaster warranties each new product manufactured by us to be free from defects in material and workmanship for a period of one year from date of delivery to the original purchaser except as noted below.

This one-year warranty covers the entire trailer against material and workmanship except as noted:

1. New products which have been operated in excess of rated capacities
2. Misuse, abuse or accidents
3. Items that have been pinched (air or hydraulic hose)
4. Vehicles which have been altered, modified or repaired in any manner not authorized by our company
5. Second-hand or used vehicles
6. Wear items such as tires, battery, suspension, bearings, parking jacks
7. Products that have not been properly maintained (by the dealer or consumer)

In no way shall the manufacturer be held liable for consequential damages such as rentals of substitute vehicles, loss of profits, downtime, or other commercial losses. This warranty does not cover shipment of trailer or parts to dealer or manufacturer, or return shipment of trailer or parts to dealer or consumer from factory.

TIRE / BATTERY WARRANTY
New vehicle tires are warranted by their respective manufacturers and are prorated. Battery is warranted by Towmaster and is prorated.

TOWMASTER’S OBLIGATION
Our obligation under this warranty is to repair or replace, at no cost to the end user, any warrantable part proven defective within the time limit of this warranty at our factory or at an Authorized Townmaster Dealer. Towmaster will handle disposition of warranties on all other purchased components such as axles, suspensions, wheels, batteries, parking jacks and other purchased parts in conjunction with their respective manufacturers, and under the terms of their respective warranty policies.

We must receive immediate notification of a defect and no allowance will be made for repairs without our prior consent or approval. Manufacturer does not pre-authorize any dealership for warranty work. The dealer must call our warranty service department to receive an authorization number. If the work performed is not preauthorized with a claim number, it may be deemed void. Defective parts must be returned within twenty days of receipt of replacement parts or credit may not be given for the replacement parts and an invoice may be issued.

This warranty is in lieu of all other warranties, expressed or implied by law or otherwise, and there is no warranty of merchantability or fitness for purpose. Federal regulations require motor vehicle manufacturers to maintain a record of original owners of their equipment. Our warranty registration fulfills this requirement. Please make every effort to complete the warranty card document and send it in. This warranty written under the laws of Minnesota, USA and some provisions in this warranty may be adjusted according to your local state, province or country’s laws. Complete warranty details and changes can be read on our web site, www.towmaster.com.

CUSTOMER REGISTRATION REQUIRED
Federal regulations require motor vehicle manufacturers to maintain a record of original owners of their equipment. Our warranty registration fulfills this requirement. Please make every effort to complete this document and send it in.

Manufacturer reserves the right to modify, without notice, specific designs and specifications as deemed advisable on the trailers described herein without obligation in regards to trailers previously manufactured. The manufacturer also reserves the right to discontinue models without obligation in regards to trailers previously sold. Written warranty covers each trailer. No other warranty expressed or implied is made.
GAWR, GVWR, and Payload Ratings

Towmaster determines the GAWR and GVWR ratings of its trailers using the following determinations:

**GAWR**
GAWR is determined by using the weakest link between the axle capacity rating and the combined wheel and tire rating.

**GVWR**
GVWR is determined by taking a fleet average weight, plus payload capacity rating (as determined by the manufacturer).

**Payload Capacity**
Payload is determined by one of the following calculations:

If your state recognizes weight transfer to the tow vehicle transfer, then calculate payload with this formula:

\[
\text{GVWR} - \text{Trailer Weight} = \text{Payload Capacity}
\]

If your state ONLY recognizes GAWR or trailer capacity rating and does NOT recognize weight transfer to the tow vehicle to transfer load, then calculate using this formula:

\[
\text{GAWR OR Trailer capacity} - \text{Trailer Weight} = \text{Payload Capacity}
\]

Trailer weight can fluctuate depending upon dryness of the wood deck, options installed and deck length. The best way to get the actual weight of the trailer is to scale it. Our published weights and capacities are for reference only.

Gooseneck Swing Clearance

(Rigid Gooseneck / Hydraulic Tail)

These are the standard swing clearance dimensions on our goosenecks. Please specify swing clearance and truck height when ordering if you require a different clearance dimension.

Detachable Gooseneck Swing Clearance

Use the chart below to determine the proper gooseneck length to fit your tractor. Detachable gooseneck trailers come in a variety of gooseneck length options. These dimensions will help determine the swing clearance needed. If you have any questions, please call the factory for clarification.

**Model:**

### TC-9D

- **Load angle:** see specs

---

**STANDARD FEATURES**

**HITCH / TONGUE**
- Adj. height, bolt-on coupler
- 2.5" pintle
- RV plug
- One-piece cold-formed frame rails
- Integrated storage tray
- 7K bolt-on top-wind parking jack
- Battery break-away kit w/tow charger & test light
- Safety chains w/hooks

**FRAME / DECK**
- 82" between fenders
- 17.5" deck height (fully loaded)
- 6" I-beam main frame
- 3" Jr. I-beam crossmembers, 80,000 psi
- 2" nominal treated pine wood deck
- Formed flat bar tie downs (4 per side)
- 12 ga one-piece formed fender/panel

**RAMPS / TAIL**
- 18" x 5'-0" formed sides, cleated ladder style
- Load angle: 16°
- Solid-bar pinned ramp hold-ups

**AXLES / SUSPENSION**
- Rubber-ride suspension axles
- (2) 6,000 lb. axles (tandem, 4 wheels)
- Tires - ST225/75R15, load range D, 8-ply
- 15" wheels, 6-bolt
- Electric brakes
- Forward self-adjusting brakes
- Standard (Non-EZ Lube) hubs

**LIGHTS / WIRING**
- Rubber grommet mounted LED lights
- Sealed modular wiring

AXLES / SUSPENSION
- Rubber-ride suspension axles
- (2) 6,000 lb. axles (tandem, 4 wheels)
- Tires - 235/85R16, load range E, 10-ply
- 16" wheels, 6-bolt
- Electric brakes
- Forward self-adjusting brakes
- Standard (Non-EZ Lube) hubs

LIGHTS / WIRING
- Rubber grommet mounted LED lights
- Sealed modular wiring

STANDARD FEATURES
- Limited Lifetime Frame Warranty*
- One-Year full Warranty*
- 10 Year Suspension Warranty*
- Weatherproof registration holder
- Two-component polyurethane primer and paint
- Trailer color: Equipment Black
- Ramp color: Equipment Red

TC-14D

HITCH / TONGUE
- Adj. height, bolt-on coupler
- 3" pintle
- RV plug
- One-piece cold-formed frame rails
- Integrated storage tray
- 12K bolt-on, side-wind drop-leg parking jack
- Battery break-away kit w/tow charger & test light
- Safety chains w/hooks

FRAME / DECK
- 82" between fenders
- 21.5" deck height (fully loaded)
- 8" I-beam main frame
- 3" Jr. I-beam crossmembers, 80,000 psi
- 2" nominal white oak wood deck
- Formed flat bar tie downs (4 per side)
- 12 ga one-piece formed fender/panel

RAMPS / TAIL
- 18" x 5'-0" channel sides, cleated ladder style
- Load angle: 19°
- Solid-bar pinned ramp hold-ups

STANDARD FEATURES
- Rubber-ride suspension axles
- (2) 7,000 lb. axles (4 wheels)
- Tires - 235/85R16, load range E, 10-ply
- 16" wheels, 8-bolt
- Electric brakes
- Forward self-adjusting brakes

STANDARD FEATURES

HITCH / TONGUE
• Adj. height, bolt-on coupler
• 2.5” pintle
• RV plug
• One-piece cold-formed frame rails
• Integrated storage tray
• 7K bolt-on top-wind parking jack
• Battery break-away kit w/tow charger & test light
• Safety chains w/hooks

FRAME / DECK
• 77” between fenders
• 14.5” deck height (fully loaded)
• 6” I-beam main frame
• 3” Jr. I-beam crossmembers, 80,000 psi
• 2” nominal white oak wood deck
• 7” sides
• D-ring tie-downs (4 per side)
• 12 ga one-piece formed fender/panel

RAMPs / TAIL
• 18” x 5’-0” channel sides, star plate
• Load angle: 14.5°
• Auto-Latch ramp hold-ups
• Spring-assist

AXLES / SUSPENSION
• Rubber-ride suspension axles
• (2) 7,000 lb. axles (4 wheels)
• Tires - 235/85R16, load range E, 10-ply
• 16” wheels, 8-bolt
• Electric brakes
• Forward self-adjusting brakes
• E-Z Lube hubs

LIGHTS / WIRING
• Rubber grommet mounted LED lights
• Sealed modular wiring

STANDARD FEATURES
• Limited Lifetime Frame Warranty*
• One-Year full Warranty*
• 10 Year Suspension Warranty*
• Weatherproof registration holder
• Two-component polyurethane primer and paint
• Trailer color: Equipment Black
• Ramp color: Equipment Red

**Model:**

**DECK LENGTH (ft)** 252" / 276" / 300"
**CAPACITY (lbs)** 15,700
**MSRP** $8,295

**Standard Features**

**Hitch / Tongue**
- Adj. height, bolt-on coupler
- 2.5" pintle
- RV plug
- One-piece cold-formed frame rails
- Integrated storage tray
- 12K bolt-on top-wind parking jack
- Battery break-away kit w/tow charger & test light
- Safety chains w/hooks

**Frame / Deck**
- 82" load width, 18.5" deck height (fully loaded)
- Deck cushion cylinder
- Dual-point, single lever deck lock
- 6" I-beam main frame
- 3" channel crossmembers
- 2" nom. white oak deck
- D-ring tie-downs (4 per side)
- 12 ga one-piece formed fender/panel

**Ramps / Tail**
- 13°/12°/11° load angle

**Axles / Suspension**
- Rubber-ride suspension axles
- (2) 7,000 lb. axles (4 wheels)
- Tires - 235/85R16, load range E, 10-ply
- 16" wheels, 8-bolt
- Electric brakes
- Forward self-adjusting brakes
- EZ Lube hubs

**Lights / Wiring**
- Rubber grommet mounted LED lights
- Sealed modular wiring

Model: T-24TA

**STANDARD FEATURES**

**HITCH / TONGUE**
- Adj. height hitch
- 3” pintle ring
- 7-pole round electrical plug
- One-piece cold-formed frame rails
- Integrated storage tray with lockable lid
- 25K bolt-on side-wind drop-leg parking jack
- Safety chains w/hooks

**FRAME / DECK**
- 24’ main deck length, 7’ beavertail
- 102” load width, 32” deck height (fully loaded)
- Dual air bags
- Dual-point, single lever deck lock
- 8” I-beam main frame
- 3” Jr. I-beam cross members
- 2” nom. white oak deck
- D-ring tie-downs (4 per side)

**RAMPs / TAIL**
- 12° tail
- 10° load angle with optional ramps

**AXLES / SUSPENSION**
- Hutchens 9700 suspension
- (2) 12,000 lb. axles (8 wheels)
- Tires - 235/85R16, load range E, 10-ply
- 16” wheels, 8-bolt
- Air Brakes (Air has sensors on 1 axle, 2S/1M)
- Full ABS on air brakes
- Oil bath hubs

**LIGHTS / WIRING**
- Rubber grommet mounted LED lights
- Sealed modular wiring

**STANDARD FEATURES**
- Limited Lifetime Frame Warranty*
- One-Year full Warranty*
- 10-year Suspension Warranty*
- Weatherproof registration holder
- Two-component polyurethane primer and paint

## TC-16

### Model:

![Diagram of TC-16 trailer](image)

Load Angle: 16°

### STANDARD FEATURES

#### Hitch / Tongue
- Adj. height, bolt-on coupler
- 3" pintle
- One-piece cold-formed frame rails
- Integrated storage tray
- 12K bolt-on side-wind drop-leg parking jack
- Battery break-away kit w/tow charger & test light
- 7-pole round elec. plug
- Safety chains w/hooks

#### Frame / Deck
- 20 ft. deck length
- 102" load width
- 32.5" deck height (fully loaded)
- 10" I-beam main frame
- 3" Jr. I-beam crossmembers, 80,000 psi
- 2" nominal white oak wood deck
- D-ring tie-downs (4 per side)

#### Ramps / Tail
- 5 ft. steel angle-iron beavertail (14")
- 21” x 5’-0” ladder style angle iron cleats
- One-way spring-assist ramps

### Axles / Suspension
- Slipper spring suspension
- (2) 8,000 lb. axles (4 wheels)
- Tires - 215/75R17.5, load range H, 16-ply
- 17.5” wheels, 8-bolt
- Electric brakes
- Forward self-adjusting brakes
- E-Z Lube hubs

### Lights / Wiring
- Rubber grommet mounted LED lights
- Sealed modular wiring

### Standard Features
- Limited Lifetime Frame Warranty*
- One-Year full Warranty*
- 10-year Suspension Warranty*
- Weatherproof registration holder
- Two-component polyurethane primer and paint
- Trailer color: Equipment Black
- Ramp color: Equipment Red
