

# Preventive Maintenance Meeting Minutes

June 16, 2016 8:00-9:00am

Introductions by members present.

Ben discussed 2 items.

1. NRRRA pavement Conference will be moved from feb. to May/June. Some conflicts with other meetings were mentioned.
2. Tech Transfer budget was reviewed and discussed. This is a per year budget. It is about 30% of the pooled fund. Members were asked about additional topics they are interested in. Concrete meeting next week in Chicago will provide some ideas and priorities.

Short discussion about webpage develop and information available on the web. Visit the site.

<http://www.dot.state.mn.us/mnroad/nrra/index.html>

Long discussion about Research Topics, current list is linked to this page on the website. <http://www.dot.state.mn.us/mnroad/nrra/structureandteams/preventivemaintenance/index.html>

After discussing the topics, a few new ones were added. Voting was decided. Vote on your top three in each column (tech transfer, short term, and long term).

1. Submit any new research topic ideas by Jun 22.
2. Send final topic list to PM team members on June 23.
3. Send votes to Geib and Worel by June 28.

MATHY, BRAUN, IGGA, and MAPA discussed their reasons for joining. Thank You.
