

National Road Research Alliance (NRRA)

Preventive Maintenance Team

July 14, 2016 from 8:00 am – 9:00 am

MINUTES

1) Welcome & Introductions

2) NRRA Update.

- a. Caltrans has joined, Welcome! (although not in attendance for this meeting). They will appoint team members. Now have six DOT's and about 18 associates
- b. Executive team, July 21st will be next meeting. Pavement conference will move to may/june in 2017. Each team will sponsor a talk.
- c. NRRA structure Ben showed timelines for team meetings,
 - i. Synthesis deadline is Aug 15
 - ii. Short term due sept 15
 - iii. Long term to exec team by sept 13, to design by oct 15.
 - iv. DEMO projects (new discussion). As needed by tech transfer. Send one person to a state to meeting with many DOT staff.
- d. Continue to visit the web page for uprates and research topics lists.
