# KAXEE BAASGEELKAAGA

## RAAC SHARCIGA

Baasgeeladu waa gaadiid – sida baabuurka oo kale. Adeec calaamadaha joogsiga iyo signalada taraafigga ama ishaarooyinka.

## NOQO MID LA SAADAALIN KARO

Ku kaxee dhinaca midigta oo ku soco layn toosan. Sheeg oo signalgaree leexa-ashooyinkaaga—gacantaada ku filmaan jiahada aad u leexanaysid.

## ISKA JIR

Iska ilaali baabuurta hortaada, xagga dambe iyo dhinacaaga. Iska ilaali dadka lugeynaya iyo khataraha jidka.

## HA LAGU ARKO

Xidho dhar nuur leh oo isicmaal nalal iyo iftiin-soo-celiyeyaal. Ku wad meel darawalada baabuurtu kaa arki karaan.

## BADBAADI MASKAXDA

Xidho koofiyad adag.
