

## Questions Concerning State Freight Advisory Committees

### **1. Purpose**

**What is the core purpose of your FAC?**

### **2. Activities**

**Have specific activities/outputs been established for your FAC?**

### **3. Membership**

**What is the process for assuring that your FAC membership is the right composition and level to make it possible to achieve the core purpose?**

### **4. Meetings**

**Are the meetings of your FAC primarily forums for exchanging information and opinions or for making decisions?**

### **5. Structure**

**Does your FAC have a well-defined formal structure, in bylaws or otherwise, that governs matters such as officers, terms of office, responsibilities, subcommittees, etc.?**

### **6. Communications**

**How important to the success of your FAC is a web-site, social media, and other forms of communications with members, interested parties, and the private sector in general?**

## **7. Relationships**

**Does your FAC have a formal arrangement for involving business, community, other governments, and academic organizations in its activities?**

## **8. Sub-State**

**Is there a formal arrangement for incorporating sub-state areas (MPOs, cities, districts) into the operations of your FAC?**

## **9. Federal Law and Guidance**

**Is your FAC consistent with Federal law and guidance?**

## **10. Foundation for Establishment**

**Is your FAC established in state law?**

## **11. Resources**

**Does your FAC have dedicated, stable, adequate funding?**

## **12. Success Factors**

**Has your FAC been successful?**

**Other important issues or topics?**
