

2015 SRTS Grant Recipients

Infrastructure

Twenty-two communities applied and four were awarded state funds to implement their projects.

- Grand Rapids, Itasca County - \$261,000
 - Sidewalk improvements for Robert J. Elkington Middle School and Murphy Elementary School.
- Minneapolis, Hennepin County - \$235,000
 - Crossing improvements for Lyndale Elementary School.
- Thief River Falls, Pennington County - \$185,000
 - Multi-use trail improvements and traffic calming improvements that reduce speeds for Franklin Middle School and Challenger Elementary School.

Three communities were awarded federal funds.

- Bloomington, Hennepin County – \$185,059
 - Sidewalk and crossing improvements for Hurbert Olson Elementary and Olson Middle School on Old Shakopee Rd, France Ave., and Johnson Ave.
- Edina, Hennepin County – \$209,307
 - Sidewalk and crossing improvements along Cornelia Drive for Cornelia Elementary School
- Milaca, Mille Lacs County – \$92,400
 - Crossing improvement on TH 23 by Milaca Elementary School

Mini-grants and bike fleet

Mini-grants award up to \$2,500 to a school to support SRTS activities. This includes training and supplies for school patrol programs, incentives and materials to support walking and biking encouragement events, bicycle racks, and other items to support walking and biking programs at K-12 schools in Minnesota. \$125,000 in mini-grants will go to 64 schools in Minnesota, reaching nearly 40,000 students this school year. Regional partners applied and were selected from across Minnesota to administer grants in their region. The regional partners currently work with many of these schools on SRTS planning and programs.

69 schools applied for mini-grants and 64 schools were selected for funding.

Bicycle fleets

MnDOT Safe Routes to School program is awarding bicycle fleets to four organizations to support teaching the Walk! Bike! Fun! bicycle and pedestrian safety curriculum in schools and through local organizations. Fleets will include approximately 40 bicycles, basic supplies and an enclosed trailer to store and move them (estimated award value of \$25,000). Educators will receive support and training on how to use the bikes and curriculum.

16 schools and/or organizations applied and four were awarded bicycle fleets.
