

2018 Safe Routes to School Funding Recipients

Infrastructure: Transportation Alternatives

- **Fond du Lac Band of Lake Superior Chippewa:** \$ 228,000
Construction of a sidewalk system around the Fond du Lac Ojibwe School, Head Start, Early Head Start, Tribal Center and other Tribal buildings in the immediate area.
- **City of Foley; with Benton County Sponsorship:** \$ 483,075
Construction of a trail route mitigating the hazard of walking and biking along TH 25, with crosswalk equipment to improve crossing TH 23, allowing better access to the school by means of walking or biking.
- **City of Frazee:** \$475,000
To provide a safe alternative transportation route for the entire community to utilize from Town Lake Beach to the Frazee Public School.
- **The City of Breckenridge:** \$ 225,000
Installation of ADA-approved six-foot sidewalk and intersection improvements to tie the Breckenridge Elementary/Middle School to the High School and aquatic center.
- **Kasson-Mantorville Public Schools:** \$300,000
To enhance Safe Routes to School for walking and biking by slowing vehicles down around high traffic areas, including Mantorville Avenue.
- **City of Janesville:** \$356,020
Improvements include ADA compliance at crosswalks, upgrades to sidewalks around the two schools (JWP and Trinity) and off-road trail facilities connecting residential developments currently disconnected from the sidewalk system.
- **City of Mankato:** \$153,144
Installation of a High-Intensity Activated Crosswalk (HAWK) Beacon across Timberwolf Drive just north of Rosa Parks Elementary School.
- **City of Marshall:** \$84,960
Establishing properly marked school zone speed limits, including radar speed indication signage and pedestrian-activated crosswalk signals.
- **City of Dassel (Meeker County):** \$54,880
Construction of sidewalks, trails and pedestrian crossing improvements near the Dassel Elementary School.
