

Minnesota Temporary Traffic Control Field Manual

Order Form

The Minnesota Temporary Traffic Control Field Manual, January 2018 edition is Section 6K of Part VI of the Minnesota Manual on Uniform Traffic Control Devices (MN MUTCD). The MN MUTCD has been established and then adopted by the Commissioner of Transportation to provide a uniform policy for all traffic control devices on all public streets, roads, and highways within the State of Minnesota. Any agency, public or private whose work affects vehicular and pedestrian traffic should use this manual to provide proper temporary traffic control.
