

LIST OF ACRONYMS/ABBREVIATIONS

AASHTO Materials Reference Laboratory	AMRL
Accessible Pedestrian Signals	APS
Advanced Transportation Controller	ATC
Advanced Transportation Controller Cabinet	ATCC
Advance Warning Flasher	AWF
American Association of State Highway and Transportation Officials	AASHTO
American Disability Act	ADA
American National Standards Institute	ANSI
American Wire Gauge	AWG
Approved/Qualified Products List	APL
American Society of Testing and Materials	ASTM
Cement and Concrete Reference Laboratory	CCRL
Central Office	CO
Electrical Services Section	ESS
Emergency Vehicle Priority (Preemption)	EVP
Federal Highway Administration	FHWA
Global Positioning System	GPS
Gopher State One Call	GSOC
High-Density Polyethylene	HDPE
High Density Switch Pack	HDSP
Lane Control Manual	LCM
Light Emitting Diodes	LED
Local Resistance Factor Design	LRFD
Maintenance Access Route	MAR
Manual for Assessing Safety Hardware	MASH
Malfunction Management Unit	MMU2
Maplewood Materials Laboratory	MML
Minnesota Department of Transportation	MnDOT
Minnesota Manual on Uniform Traffic Control Devices	MnMUTCD
National Electrical Code	NEC
National Electrical Safety Code	NESC
National Electrical Manufacturers Association	NEMA
Nationally Recognized Testing Laboratory	NRTL
Non-Metallic Conduit	NMC
Liquid Tight Flexible Non-Metallic Conduit	LFNC
Office of Traffic Engineering	OTE
Pedestrian Access Route	PAR
Polyvinyl Chloride	PVC
Public Rights-of-Way Accessibility Guidelines	PROWAG
Regional Transportation Management Center	RTMC
Rigid Steel Conduit	RSC
Rural Lighting and Flasher	RLF
Signal Service Cabinet with Battery Backup	SSB
Source of Power	SOP
Standard Specifications for Construction	Spec Book
Traffic Engineering Manual	TEM

Traffic Management System	TMS
Trunk Highway	TH
Underwriters Laboratories	UL
Uninterrupted Power Supply	UPS
Volts Alternating Current	VAC
Volts Direct Current	VDC
